EDUCATION

Vellore Institute of Technology <i>Bachelor of Technology in Cybersecurity</i>	Vellore, India July 2025 – July 2029
Bal Bharati Public School, Ganga Ram Hospital Marg <i>Senior Secondary (XII) - Computer Science – Percentage: 73%</i>	New Delhi, India May 2024
Bal Bharati Public School, Ganga Ram Hospital Marg <i>Secondary (X) – Percentage: 91%</i>	New Delhi, India May 2022

SKILLS

Programming Languages: Python, C(Currently Learning)
Web Development: HTML, CSS, JavaScript(Currently Learning)
Database Technologies: MySQL, Supabase Integration
Soft Skills: Team Leadership, Project Management, Communication, Time Management

PROJECTS

ClinIQ - Healthcare Platform	2025
- Developed a comprehensive healthcare web application for a hackathon featuring AI-powered symptom analysis and doctor discovery - Built an intelligent AI Symptom Checker using API integration to provide preliminary health assessments - Implemented a "Find Doctor" feature with advanced search and filtering capabilities to connect patients with healthcare professionals - Designed responsive user interface with modern UI/UX principles ensuring seamless experience across devices Live Demo: https://clin-iq.vercel.app/	
AgroAI - Smart Agricultural Assistant	2025
- Collaborated with a team to build an AI-powered agricultural platform helping farmers make data-driven decisions - Integrated machine learning models for crop disease detection, yield prediction, and soil health analysis - Developed intelligent interface providing real-time farming advice and pest management solutions - Implemented weather forecasting integration and crop recommendation system based on soil conditions and climate data Live Demo: https://agro-ai-final.vercel.app/	

ACHIEVEMENTS & CERTIFICATIONS

CodeDay Hackathon IIT Delhi	29th September 2024
Google Agentic AI Day Hackathon Participation	8th September 2025
Scaler School Of Technology Internship for 6 months	18th November 2024
Amazon Web Services Summit Visited AWS Office	26th June 2025
Newton School Learnt Data Analytics	25th April 2025
